VACATION BIBLE SCHOOL – FRIDAY, JULY 12

Restore Elikia – Our International Service project this year is Restore Elikia. Restore Elikia was started by Christ Lutheran members Will and Nicole O'Brien. This ministry is in the Congo and they are helping share the light of Christ in many new ways. Check out www.restoreelikia.org. Each morning we collected money in our red buckets to help support Restore Elikia. It takes \$10 a week to provide a child with a safe, sanitary place to live, access to clean drinking water, regular nutritious meals, basic medical care, education opportunities and ensures that a child receives the love of Christ.

**This year we raised
\$899.08 for Restore Elikia!**

**Thank you to everyone that
participated in the school supply
service project, too!**
